

**SAMPLE PERMIT AMENDMENT FOR USE BY THE FOREST SERVICE:**

<b>AMENDMENT FOR SPECIAL-USE AUTHORIZATION</b>	Holder No.	Type Site 123	Authority 712
	Issue Date	Expir. Date	Region
	Forest 16	District	State/County 06/

This amendment is attached to and made a part of the Term special use authorization for maintaining a recreation residence for personal recreation issued to \_\_\_\_\_ on \_\_\_\_\_ for \_\_\_\_\_ which is hereby amended as follows:

1) This permit is being issued to the \_\_\_\_\_ living trust. The representative of this living trust is \_\_\_\_\_ who shall be considered the holder of this term permit. The holder shall advise the Forest Service of the individual (s) who is (are) the principal occupant (s) of the recreation residence, if other than the holder, whom the Forest Service shall contact regarding the recreation residence. The permanent address of the above designated individual (s) shall be provided to the Forest Service. The holder shall update the identification and address of the individual (s) as circumstances require. The holder warrants that the living trust is authorized to hold this permit to maintain a recreation residence on National Forest System lands.

2) Except as provided below, the Forest Service shall administer the permit in accordance with the terms of 36 CFR Parts 251 and 261 and applicable sections of the Forest Service Manual in the same manner as it would administer a permit held by an individual. The grantor, trustee, representative, and beneficiaries of the trust are jointly and severally liable compliance with the terms of this permit and for any damage to National Forest System (NFS) resources of any kind caused by the presence of the recreation residence on NFS land, or by their personal conduct. In case of conflict between the terms of this permit and the terms of any document or State law creating or otherwise relating to the trust, the permit terms shall control.

It is understood that this amendment shall not operate to alter nor amend said permit in any other respect than is herein specified and shall not in any way constitute a waiver of any other part, provision, or condition of said permit, and every such part, provision, or condition of said permit shall apply equally to this amendment.

This Amendment is accepted subject to the conditions set forth herein, and to conditions ----- to ----- attached hereto and made a part of this Amendment.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0596-0082.

This information is needed by the Forest Service to evaluate requests to use National Forest System lands and manage those lands to protect natural resources, administer the use, and ensure public health and safety. This information is required to obtain or retain a benefit. The authority for that requirement is provided by the Organic Act of 1897 and the Federal Land Policy and Management Act of 1976, which authorize the Secretary of Agriculture to promulgate rules and regulations for authorizing and managing National Forest System lands. These statutes, along with the Term Permit Act, National Forest Ski Area Permit Act, Granger-Thye Act, Mineral Leasing Act, Alaska Term Permit Act, Act of September 3, 1954, Wilderness Act, National Forest Roads and Trails Act, Act of November 16, 1973, Archeological Resources Protection Act, and Alaska National Interest Lands Conservation Act, authorize the Secretary of Agriculture to issue authorizations for the use and occupancy of National Forest System lands. The Secretary of Agriculture's regulations at 36 CFR Part 251, Subpart B, establish procedures for issuing those authorizations.

The Privacy Act of 1974 (5 U.S.C. 552a) and the Freedom of Information Act (5 U.S.C. 552) govern the confidentiality to be provided for information received by the Forest Service.

Public reporting burden for this collection of information, if requested, is estimated to average 1 hour per response for annual financial information; average 1 hour per response to prepare or update operation and/or maintenance plan; average 1 hour per response for inspection reports; and an average of 1 hour for each request that may include such things as reports, logs, facility and user information, sublease information, and other similar miscellaneous information requests. This includes the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.
